Lawn Sprinkler Reduced Pressure Backflow  
Maintenance Agreement

To be read and signed by the legal property owner

As owner of the property listed below, I understand that the R.P.Z. (Reduced Pressure Backflow) device is required by Local Code, to be installed as part of the lawn sprinkler system and must be inspected and tested once a year for the life of the lawn sprinkler system by a certified tester. The results of the annual inspection and test shall be filed with the Village of Lincolnshire Department of Public Works. In addition, all expenses for testing and repair now, and in the future, shall be paid by the property owner. All individuals installing lawn sprinkler systems are required by State of Illinois Law to be State of Illinois Licensed Plumbers.
